OWNER'S DECLARATION
(To be completed on a photocopy of this certificate when animals are transferred to another flock or herd):
The animal(s) listed on the sheet attached (schedule reference number SAC/SMS 05/002/0522-1237-31082020) come from the Scrapie Monitored flock or herd resident on the registered premises described on this certificate. The animals listed have been kept separate from non-monitored sheep and goats in accordance with the requirements of Annex VIII of Regulation EC 999/2001 as amended, and have not at any time been moved to holdings of a different status in the last three years.

This certificate provides an assurance that the flock / herd resident on the holding(s) above has complied with the scrapie monitoring requirements of Annex VIII of Regulation EC 999/2001 as amended. These requirements are the same as those of the GB Scrapie Monitoring Scheme previously operated by Defra and which was transferred to SAC on 01.01.09
